FOR MORE THAN HALF A CENTURY HILUX HAS UNRELENTINGLY POWERED PEOPLE TO THE MOST REMOTE LOCATIONS ON THE PLANET, TACKLING EVERY KIND OF TERRAIN, OVERCOMING ANY KIND OF OBSTACLE. THE NEW HILUX BRINGS MORE POWER AND EVEN TOUGHER DESIGN TO THIS LEGENDARY VEHICLE. TESTED TO THE EXTREME, IT'S INVINCIBLE BY NAME AND INVINCIBLE BY NATURE. HILUX, THE WORLD'S TOUGHEST ICON, SINCE 1968.

DISCOVER THE WORLD'S BEST-SELLING PICK-UP.  
**THE NEW TOYOTA HILUX INVINCIBLE**

# MORE LEISURE? MORE BUSINESS

A/T = Automatic transmission  
M/T = Manual transmission  
\* Combined cycle.

The 2.8 litre D-4D diesel engine maximises power and fuel efficiency while significantly reducing noise levels. This produces maximum torque across a greater speed range paired with unprecedented acceleration performance.

#### DIESEL 2.8 L D-4D 6 A/T

Power 204 DIN hp  
 Fuel consumption\* 9.2-9.9 l/100 km  
 CO<sub>2</sub> emissions\* 241-259 g/km  
 Acceleration  
 0-100 km/h 10.7 seconds  
 Available on Mid, High, Invincible

#### DIESEL 2.4 L D-4D 6 M/T

Power 150 DIN hp  
 Fuel consumption\* 9.6-10.4 l/100 km  
 CO<sub>2</sub> emissions\* 252-274 g/km  
 Acceleration  
 0-100 km/h 13.2 seconds  
 Available on Entry

Wherever your journey, Hilux will take you there. With a range of powerful, efficient engines and the ability to tow up to 3.5 tonnes, it has the capacity to move mountains. A new 2.8 litre diesel engine, producing 204 DIN hp and up to 500 Nm of torque, joins the line-up. Capable of 0-62 mph in just 10.0 seconds, it's the most powerful Hilux ever, and with power that's delivered low down the rev range, you have the torque just when you need it. Add to that more comfortable suspension, the availability of Trailer Sway Control and an advanced variable-flow power steering system and you'll appreciate how Hilux delivers superb towing ability together with new levels of refinement.

## MORE POWER, MORE TORQUE. MORE FUN

**Did you know...** British TV show Top Gear tried to 'destroy' a 1988 Hilux with 300,000 km on the clock. Despite washing it out to sea, hitting it with a wrecking ball, dropping a caravan on top of it and setting it alight, after a short repair with basic tools it could still be driven away.

**With a bold new look Hilux stands out from the crowd.** Its muscular stance conveys a sense of power, whilst the strong front and rear bumpers and tough body mouldings protect its rugged bodywork from damage. Check out the stunning new light designs and the range of robust wheel designs that further enhance its tough good looks. Want to take it to the max? Look no further than the Invincible model, with a unique and striking design ... it's the ultimate statement of Hilux power and style.

## BUILT FOR GREATNESS. DESIGNED FOR PLEASURE

**Did you know...** Owning a 1985, jet black, 4x4 SR5 Xtracab Hilux was the dream of Marty McFly, played by Michael J Fox, in the box-office hit Back to the Future. But before he gets a chance to drive the truck, McFly is propelled back to 1955 where he meets his teenage parents-to-be.

**GREAT DESIGN  
IN ANY TERRAIN**

**TOUGH, DURABLE,  
RELIABLE?**  
UNQUESTIONABLE

**Because Hilux is engineered and tested to operate in the world's most extreme environments, you can rely on the legendary quality, durability and reliability that's baked into every new vehicle.** With a super strong body frame, 700 mm of ground clearance and exceptional wheel articulation even the toughest terrain can be tackled with confidence. Rigorous testing, and unique component design, honed over half a century, has resulted in a unique vehicle. Designed, engineered and built like no other pick-up.

## TAKE YOUR PASSIONS TO NEW TERRITORIES AND BEYOND

**Did you know...** The Killin Mountain Rescue Team in Scotland depend on Hilux 4x4 pick-ups to transport rescue teams and equipment into the most dangerous, remote and inhospitable areas of the mountains. When lives are at stake, the go-anywhere capabilities of Hilux become lifesavers.

**There's good reason to feel confident in a New Hilux.** Hill start Assist Control (HAC) and Active Traction Control (A-TRC) make the smoothest take-off simple, whilst its huge capacity to carry and tow means nothing gets left behind. So, whether you're climbing or descending the piste (did we mention Hilux has Downhill Assist Control?) when you're in new Hilux you can be sure you are in the very safest of hands\*.

\* Options and equipment dependent on model.

## 3.5T\* TOWING CAPACITY AND 1 TONNE PAYLOAD: LEAVE NOTHING BEHIND

**Did you know...** During last year's cold snap in the North of England, a Hilux rescued a stranded articulated lorry that had become stuck on an icy stretch of road as they attempted to deliver food to a large supermarket.

\* Up to 3.5 tonnes, 4WD only.

# NO SKI LIFT? NO PROBLEM

**YOUR SPACE**  
**YOUR WORLD**

**Tough on the outside, comfortable on the inside, the interior of the new Hilux takes you to new levels of refinement and style.** Durable materials and striking finishes look as good as they feel, whilst the JBL sound system with Harman CLARi-Fi technology, delivers superb audio quality whatever your choice of music. Double Cab Invincible models elevate levels still further with dual tone perforated leather seats delivering unrelenting comfort no matter how extreme the terrain you choose to tackle, and unique ambient lighting that bathes the cabin with soft blue light. As tough as it is comfortable, Hilux takes care of you, so you can take care of business.

Specification dependent on model.

## WHATEVER YOUR MUSIC TASTES, LET JBL AUDIO DELIVER THE SOUND

**Did you know...** When planning an 'Around the world in a hot air balloon', the expedition leader knew that a pick-up was the only vehicle that could handle the extreme challenge. Based on previous experience, they knew, it had to be a Hilux.

# MISSION CONTROL? LIFE MADE EASY

**Being tough doesn't mean you can't be clever, which is why Hilux offers you a range of innovative technologies that are designed to make life easier.** The 8" tablet-style Toyota Touch® 2 screen features a host of multimedia features that put you in control of Bluetooth® audio streaming and hands-free calling. There's also Smartphone Integration via Apple CarPlay™ and Android Auto™. The new full colour combimeter displays everything from tyre angles to parking sensor information, all accessible via handy steering wheel controls. There's even a rear-view camera so you can avoid any nasty surprises when reversing. Hilux, because when you are on a mission you need to be in control.

## INTUITIVE TECHNOLOGY DESIGNED AROUND YOU

**Did you know...** An expedition to the most northern spot of Russia is a trip that tests the strength of any team. But with the help of two Toyota Hilux, a team succeeded in covering more than 1,000 km of extreme driving conditions through polar nights.

# PEACE OF MIND? COMES AS STANDARD

An aerial, top-down view of a dark asphalt road that curves through a dense, green forest. Three cars are visible on the road, moving away from the viewer. The car in the foreground is a dark sedan, the middle one is a white SUV, and the one in the distance is a dark sedan. The road has white lane markings. The surrounding forest is thick with trees, and the lighting suggests a bright, sunny day.

**Toyota Safety Sense** includes advanced active safety systems for an even safer and more relaxed drive. At its heart are active technologies that can assist the driver.

**Lane Departure Alert** helps to keep you on course by providing an audio and visual warning if the vehicle starts to drift from its lane marking without use of the turning signal. Steering Control applies corrective force in the event of unintentional lane departure.

**Intelligent Cruise Control**, which includes Adaptive Cruise Control combined with Road Sign Assist, automatically keeps the car at a pre-selected speed and warns the driver if the speed limit changes.

**Trailer Sway Control (TSC)**, suppresses any sway caused by wind, bumpy roads or steering etc. whenever you are towing. With sensors detecting yaw, acceleration and steering, TSC uses deceleration control and yaw moment to limit sway.

**Because your safety is our priority, Hilux is fitted with an advanced safety system, Toyota Safety Sense.** Using both camera and laser technology, Toyota Safety Sense combines a range of active technologies including Pre-Collision System with Pedestrian and Cyclist Detection, Intelligent Adaptive Cruise Control and Lane Departure Alert with Brake Induced Steering, whilst Trailer Sway Control always keeps loads in line and under control. With the reassurance of seven airbags, an immensely strong body-on-frame construction and the extensive use of high tensile steel throughout, the new Hilux keeps you protected whatever the adventure.

## YOU CAN'T PREDICT THE UNEXPECTED, BUT YOU CAN PREPARE

**Did you know...** A windmill mechanic in Australia has clocked up more than half a million kilometres in his 1983-model Hilux. His 'territory' is more than 100,000 square kilometres of rural Queensland and he estimates there are seven to eight thousand windmills to service.

# HILUX GRADES

## ENTRY GRADE MAIN FEATURES

### Main features

- Available in all body colours except Pearl White (070)
- Black fabric with oval pattern (FC20)
- Full spare steel wheel
- All Terrain tyres
- Hill-start Assist Control (HAC)
- 17" silver steel wheels
- Traction Control (TRC)
- Trailer Sway Control (TSC)
- Follow-me-home headlights

**THE TOUGHEST  
JOBS DEMAND THE  
TOUGHEST TOOLS.**  
100% HILUX,  
100% TOUGH

Available in all body types

## MID GRADE MAIN FEATURES

### Main features (additional to Entry)

- Available in all colours
- Black fabric with vertical pattern (FE20)
- 17" dark grey alloy wheels (6-spoke)
- Front fog lamps (LED)
- Toyota Touch® 2 multimedia system
- 8" multimedia display
- Rear-view camera display in audio screen
- Pre-Collision System with Pedestrian and Cyclist Detection
- Chrome door mirrors
- Downhill Assist Control (DAC)
- Road Sign Assist
- Intelligent Adaptive Cruise Control
- Lane Departure Alert switch on steering wheel
- Front wiper de-icer
- Lane Departure Alert with brake-induced Steering
- Heated driver & front passenger seats
- Chrome surround on upper front grille
- 4-spoke leather steering wheel
- Headlamp cleaners

Available in Extra Cab and Double Cab

**AMAZINGLY  
TOUGH,  
SURPRISINGLY  
COMFORTABLE**

**TOUGHER BY DESIGN,  
EQUIPPED BY DESIRE.  
HARD WORK  
DESERVES REWARD**

# HIGH GRADE MAIN FEATURES

- Main features (additional to Mid)**
- Black leather (LA20)
  - Power-height-adjustable driver seat
  - Leather front door armrests
  - Privacy glass on rear windows
  - Power-reclining driver seat
  - 60:40 split tip-up rear bench
  - 18" black machined-face alloy wheels (6-spoke)

Available in Extra Cab and Double Cab

# INVINCIBLE MAIN FEATURES

## Main features (additional to High)

- Dual-tone perforated leather (LE21)
- MLM Edition centre cap
- 18" black alloy wheels (5-spoke)
- Light blue ambient lighting on front doors
- Bi-tone dark grey & grey wheel arch moulding
- Dark grey door mirrors
- Dark grey surround on upper front grille
- Dark grey upper front grille
- Wide front bumper (MLM Edition)
- Ambient lighting on rear doors

Available in Extra Cab and Double Cab

**INVINCIBLE BY NAME,  
INVINCIBLE BY NATURE.  
THE ULTIMATE STATEMENT  
OF POWER AND STYLE**

# ADDED ATTITUDE

## OFF ROAD/STYLE PACK

**Complete front guard:** The front guard with integrated underguard emboldens your car with a tough sturdy look.

**Bumper protector:** Add more stance with these colour-fading-resistant hard plastic guards. They protect against accidental impacts, keeping your Hilux looking as striking as ever.

**Black aluminium roll cover:** The lockable, weather-proof aluminium roll-top cover protects the deck contents.

**Black High Over Bar:** Rugged, solid, confident.

**Side bar with steps:** The distinctive tubular stainless steel bars with steps grab attention and protect the side panels against minor impacts.

## PROTECTION PACK

**Front underrun:** Emboldens your car with a tough and sturdy look.

**Bumper Protector (silver insert):** Add more stance with these colour-fading-resistant hard plastic guards. They protect against accidental impacts, keeping your Hilux looking as striking as ever.

**Side mouldings (cladding):** Protect your Hilux exterior with these tough plastic claddings that both enhance its visual appeal and fend off scratches and scuffs.

**Side bars with steps (stainless steel):** The distinctive tubular stainless steel bars with steps grab attention and protect the side panels against minor impacts.

**Silver aluminium roll cover:** The lockable, weather-proof aluminium roll-top cover protects the deck contents.

**Stainless steel High Over Bar:** The stainless steel High Over Bar is fixed just behind the cab to create a superb utility device. It also adds that extra touch of design to your vehicle.

GENUINE TOYOTA  
ACCESSORIES  
FOR MORE STRIKING  
AND READY-FOR-  
ANYTHING HILUX

## SILVER/CHROME PACK

**Headlamp chrome bezel:** Customise your vehicle with a touch of chrome, enhancing its looks. Carefully designed to integrate with the contours of your car.

**Chrome foglamp surround:** Complements your car's front foglamps and bumper with a stylish chrome detail.

**Chrome front bumper garnish:** Chrome elements on the front bumper emphasise the poised Hilux styling.

**Flat side steps (aluminium):** Aluminium side steps with a non-slip surface for easy access to the cab and deck.

**High Over Bar:** Stainless steel design for a powerful, rugged appeal.

**Utility box:** Side-mounted on the deck, the storage box can be accessed easily. It's lockable and protects contents against water, mud and sand.

**Double Cab inner bedliner and tail gate bedliner:** Precision-moulded for maximum load space: high-density polyethylene protects the deck bed, side and tailgate panels.

## INVINCIBLE PACK

**Aluminium scuff plates (front & rear):** Boost your interior's style even further with additional protection for the door-sill paintwork.

**Leather handbrake lever:** Assured, tough, refined. The perforated leather finish enhances the premium interior feel.

**Floormat:** Hard-wearing anthracite-coloured textile mats provide protection against mud and grime.

# TRANSPORT PACK

**Leisure Hardtop with roof rails:** Weather-resistant and incredibly practical, the hardtop creates a solid, seamless look. Uniquely designed for the Hilux, it has roof rails, lockable hinged and tinted windows and interior LED lights.

**Crossbars for Hardtop or Cabin:** Toyota crossbars are purpose designed to install on the Hilux Hardtop or Cabin and so add an extra dimension of carrying capacity to your vehicle. They are aerodynamic, made of aluminium, fully lockable and very easy to fit. The crossbars incorporate a quick attachment concept that enables you to combine them with a wide range of optional attachments.

**Flanged Towing Hitch:** With its 3200 kg capacity, a Toyota towing hitch gives you plenty of load-carrying flexibility.

Smoke particulates (mg/km)	1.1	0.51
Sound level drive by (dB(A))	71.0	72.0

The fuel consumption and CO<sub>2</sub> values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO<sub>2</sub> values may be calculated based on the ordered optional equipment. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO<sub>2</sub> emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

TOYOTA  
ENVIRONMENTAL  
CHALLENGE 2050

# EFFICIENCY AND LOW EMISSIONS

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one presents its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

For more information regarding Toyota Environmental Challenge please visit:  
[www.toyota-europe.com/world-of-toyota/feel/environmental-sustainability](http://www.toyota-europe.com/world-of-toyota/feel/environmental-sustainability)  
or contact your local Toyota retailer.

## CHALLENGE 1

### NEW VEHICLE – ZERO CO<sub>2</sub> EMISSIONS

By 2050, we want to reduce the CO<sub>2</sub> emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

## CHALLENGE 4

### MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

## CHALLENGE 2

### LIFE CYCLE – ZERO CO<sub>2</sub> EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

## CHALLENGE 5

### ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Hilux is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

## CHALLENGE 3

### PLANT – ZERO CO<sub>2</sub> EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

## CHALLENGE 6

### ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

\* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

# YOUR COMPLETE PEACE OF MIND WITH TOYOTA

## QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

## LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

## GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

## COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty\*, which covers any defect caused by a manufacturing fault<sup>§</sup>.

## ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

## TOYOTA EUROOCARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years<sup>§</sup>.

## GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle<sup>§</sup>.

For more information on peace of mind visit: [www.toyota-europe.com/service-and-accessories](http://www.toyota-europe.com/service-and-accessories)

\* Check with your retailer for specific warranty details. <sup>§</sup>Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship. <sup>§</sup> Belgium 5 years/Portugal and Denmark 1 year.

# TOYOTA PROFESSIONAL YOUR BUSINESS PARTNER

Toyota know that business is never just business, which is why we have created a range of commercial vehicles you can trust. Choose from our new legendary Hilux, PROACE CITY, PROACE and Land Cruiser and put your business in safe hands. Our dedicated Toyota Professional retailers are on hand to keep you moving. With highly trained technicians and a comprehensive range of services built around you, Toyota Professional offers you the back-up you need for total peace of mind.

#### PICK-UP AND DELIVERY

If your Toyota needs to be repaired, we will pick it up and return it, so that you can carry on with your business. Simple.

#### EXPRESS SERVICE

Time is money, so we guarantee to complete scheduled services and maintenance in 60 minutes or less, with two technicians working on your vehicle at the same time.

#### EXTENDED OPENING HOURS

We will take care of your pick-up when you don't need your pick-up to take care of your business, with opening hours that suit you.

#### FAST LANE FOR SPECIFIC SERVICES

Some things just can't wait, which is why we have created a fast lane servicing facility for urgent repairs. It really couldn't be quicker.

#### ROAD SERVICE ASSISTANCE

It's reassuring to know that you are never alone: our roadside assistance includes mobile workshops and vehicle recovery to get you up and running again as quickly as possible.

#### COURTESY HILUX

Need a pick up when yours is with us? Our fleet of courtesy pick ups are here to keep you moving.

**The Dakar Rally is the most extreme endurance rally on earth. It is the ultimate test to make better cars, which is why Toyota have competed for the past 40 years.** It pushes quality, durability and reliability to its limits. The terrain is extreme, the speeds unbelievable. In these conditions, trust is key. One of the greatest Formula One drivers in the history of the sport, two-time World Formula One Champion Fernando Alonso joined the 2020 Dakar Rally team. Alonso competed alongside Nasser Al-Attiyah, who proved the incredible strength and pace of the legendary Hilux by winning the 2019 Dakar Rally.
