### ELEVATE YOUR ADVENTURE with the all new PRADO

ΤΟΥΟΤΑ

PRADO

# INTRODUCTION

**DESIGN:** Masterfully embodying the authenticity of an off-roader with a reliable, timeless and professional design.

**MANEUVERABILITY:** Unleash the full potential of the Prado with the ease of operation provided as a key factor, ensuring vehicle reliability across diverse terrains.

**FUNCTIONALITY:** Safe driving is prioritized in all situations, combining off-road visibility, user-friendly controls, and advanced safety features.

**SIMPLICITY:** Experience simplicity that allows you to update or modify the vehicle as per your desire, and evolve the model with you through the stages of life.

# SUPERIOR **PERFORMANCE**

Prado ensures superior performance at all times with wheel articulation, which is the ability of the wheel to travel up or down relative to the wheel on the opposite side. Over uneven ground, the wheel articulation keeps as many tires on the ground as possible for a stable grip.

This vehicle is a superior marvel that enhances driving experience with the Electric Power Steering (EPS) that ensures light steering force at low-speeds and straight-line stability at high-speeds; the Adaptive Variable Suspension System (AVS) that adjusts damping force according to road conditions from minor to large bumps; size-appropriate tires that enhance the grip on the road; and the power of a high-torque diesel engine combined with the newly developed TNGA 8-speed Automatic Transmission to enhance driving performance, fuel economy and quietness.

Functionality minimizes fatigue, offering an enduring and high-quality space. Notably, the front and side visibility enhances safe off-road driving, complemented by a spacious console that seamlessly blends functionality with the Prado's aesthetic appeal, creating an inviting atmosphere. The lowered instrument panel cross-section further enhances passenger comfort.

Multi-Terrain Selector\* Auto, Dirt, Sand, Mud, Deep, Snow, Rock

Easy to maintain driving posture even on rough roads.

USB-C (Communication) / USB-C (Charging)

\*Disclaimer – Specifications may differ in the Diesel Variant. Refer to the Diesel Variant page for further details.

Climate Control Seat\* Seat Heating and Air Conditioning

# SEAT VARIATION FOR ELEVATED COMFORT

2<sup>nd</sup> Row Folded

2<sup>nd</sup> Row Tumbled

3<sup>rd</sup> Row Folded

# ELEVATED APPEARANCE

### RELIABILITY

Part composition and shape considering harsh usage and replaceability.

### TIMELESS

Timeless simplicity and a sense of high quality that would be loved for a long time.

### FUNCTIONAL

The sharpened functional beauty of lean tools.

**Backlight** LED: Tail & Stop (Turn, Back)

**Front Skid Plate** To prevent damage during off-roading.

\*Disclaimer – Specifications may differ in the Diesel Variant. Refer to the Diesel Variant page for further details.

### ELEVATED SAFETY

Safety is highly prioritized to provide an elevated peace of mind.

**Dynamic Stability Control\*** Helps prevent loss of traction and control by adjusting power and braking.

Peripheral Monitor Camera\* Multi-Terrain Monitor mode assists driver to view areas, when driving in terrain areas with very low clearances.

### DIESEL VARIANT **1GD-FTV**

**Seats** 7 Seater and Leather Material
