...AYGO
JUST
GO

Model shown is x-play with red accessories pack.

Model shown is x-clusiv.

DESIGNED TO SURPRISE

Agile and ready to go. With a sharp new look, eye-catching front design and choice of sensational colours, AYGO lets you express your personality.

VIEW LIFE
DIFFERENTLY

DETAILS THAT SHINE

Bright, bold and distinctive, AYGO shines with LED running lights at the front, and signature LED lights at the rear, for a night look that can't be missed.

AYGO's stylish wheel trims and machined-face alloys are the latest in urban footwear. And for that finishing touch, the Bold Black* roof completes the AYGO's contrasting look.

* Not available with Bold Black body colour.

Model shown is x-clusiv.

EXPLORE A NEW AVENUE

TURNING CIRCLE OF JUST 10.2M

Life's more fun when you go where the mood takes you. Compact, smooth, quiet and still agile, AYGO is effortless in narrow back roads, crowded high streets and challenging parking spaces. Let your impulse drive you.

Model shown is x-cite.

READY FOR THE UNEXPECTED

Compact and streetwise, AYGO has all the ingredients to keep you safe. Equipped with Pre-Collision System* and Lane Departure Alert* – AYGO is prepared for any eventuality.

* Part of Toyota Safety Sense Technology – standard on x-clusiv – optional on all other grades.

Model shown is x-clusiv.

1. Pre-Collision System[§]

When the risk of collision is detected, audio and visual warnings and brake assistance are activated. If the driver fails to respond in time, the brakes automatically engage.

2. Lane Departure Alert

Detects lane markings in the road ahead and alerts the driver with audible and visual warnings should the vehicle start to deviate from its lane without the turn indicator being applied.

3. Hill-start Assist Control (HAC)

HAC helps to ensure a smooth start on steep inclines and prevents the vehicle from rolling back.

4. Tyre Pressure Warning System (TPWS)

The system features a sensor valve within each wheel to constantly monitor tyre air pressure. The system warns you if the pressure falls below the recommended level.

[§] Technical name: Pre-Crash Safety System.

BE UNIQUE

Distinctive, sophisticated or eye-catching? AYGO has a unique interior look to suit every personality.

Model shown is x-play.

Make a statement with the vibrant and distinctive x-cite, or pick the sophisticated x-clusiv.

AYGO x-cite

AYGO x-clusiv

EQUIPPED TO ENTERTAIN

Technology count's surprisingly high in the compact AYGO. Its 7" x-touch multimedia touch screen puts entertainment at your fingertips. With the x-nav navigation system*, Bluetooth® and a rear-view camera, life only gets easier.

* Optional.

Model shown is x-play.

Rear-view camera display
AYGO's rear-view camera display gives you a clear view behind, helping you park up nice and easy.

Navigation
Upgrade x-touch to x-nav on AYGO and enjoy full-colour navigation, easy route planning and pan-European coverage.

Display audio
Change tracks, adjust the volume and search artists and albums easily on AYGO's large x-touch display.

STAY CONNECTED

Smart, safe and simple to use, AYGO's smartphone integration is the ultimate co-pilot for your life. With your favourite smartphone apps mirrored on AYGO's 7" touch screen and Siri voice control at your service, getting directions, staying connected and being entertained in AYGO is seamless.

Smartphone integration, powered by Pioneer, is compatible with Apple CarPlay™ and Android Auto™.

Find your way
Enjoy turn-by-turn navigation, real-time traffic updates and estimated travel times, with Apple Maps displayed on AYGO's touch screen.

Enjoy your music
Don't leave a favourite album or track unplayed: access your entire music collection through AYGO's touch screen or via Siri voice control.

Stay in touch
Keep your eyes on the road whatever's happening in the world. Make calls or read and write text messages on the go, using Siri voice control in AYGO.

Android Auto™
Stay focused on the way ahead, enjoying all of your favourite Android smartphone apps and functions through AYGO's touch screen display.

BRING YOUR PERSONALITY TO THE SURFACE

From distinctive decals to custom covers, get your true personality out there.

Style Pack

Both modern and sophisticated, this pack includes the following accessories in elegant Silver Sparkle: door mirrors, A-frame and front and rear under-run. And to complete the look, the stylish fog lamps and chrome side sills are contrasted by 15" black alloy wheels.

Chrome Pack

Customise your AYGO and accentuate your style with the lower trunk chrome garnish and side sills, as well as the bold diffuser garnish.

Toyota Connected

Mobile connectivity that's wired directly to your car's electrics, allowing constant power and up to 10 Wi-Fi-enabled devices to connect to it.

x-nav

This enhanced multimedia system is available on all x-touch-equipped vehicles. It includes speed limit and speed camera warnings as well as an easy-to-use navigation system with full European coverage and other features such as text-to-speech.

MADE FOR URBAN DRIVING

Whether you're transporting a few items around the city or you want to add extra protection to your AYGO, our genuine Toyota Accessories have been designed for everyday driving.

Trunk liner
Protect your trunk's carpet with this tough black rubber liner.

Foldable box
This box provides clean and tidy storage for your travel essentials; it also folds flat when not in use.

Vertical cargo net
A strong, woven, black nylon net with two compartments that fixes neatly onto pre-fitted side and floor hooks. Perfect for holding small items securely in the trunk when you're nipping around town.

Scuff plates and floor mats
Add a little more flair to your interior while you protect it too – introducing stylish scuff plates and floor mats.

Protection Pack
Add an extra touch of sophistication to your AYGO with the bold 15" black machined-face alloy wheels; and keep your paintwork looking as good as new with side mouldings and mud flaps.

STAND OUT IN STYLE

With several sensational colours on offer, AYGO gives you the freedom to express yourself.

Sound level drive by (dB(A))	69	71

The fuel consumption, CO₂ and noise values are measured in a controlled environment on a basic production vehicle, in accordance with the requirements of European law published by the European Commission. For further information, or if you are interested in buying a basic production vehicle, please contact Toyota Motor Europe NV/SA. The fuel consumption and CO₂ values of your vehicle may vary from those measured. Driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, installed equipment, load, number of passengers, ...) play a role in determining a car's fuel consumption and CO₂ emissions.

Complete peace of mind with Toyota

Quality Service

Your Toyota retailer will advise you on your car's service requirements. It will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

Low Maintenance Costs

All Toyota vehicles are designed and engineered to minimise your maintenance costs. This includes fewer parts that require servicing and, equally important, is that Toyota vehicle technology is made easily accessible so that maintenance labour time is less and pricing is competitive.

Genuine Parts

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle. If the vehicle is damaged, its design helps minimise the cost of repair because the most expensive-to-replace parts are deliberately located away from common damage zones. The result is ultimately less expense for parts and labour.

Genuine Accessories

Toyota genuine accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Adding a touch of style, comfort, convenience and practicality, they are tested for exceptional durability to enhance the enjoyment of your new car. All accessories are covered by a 3-year warranty when purchased together with the vehicle*.

Comprehensive Warranty

Every new Toyota comes with a 3-year/100,000 km vehicle warranty, which covers any defect caused by a manufacturing fault. Transport to the nearest authorised Toyota repairer will also be covered. In addition, a 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion warranty (not valid for commercial vehicles) against perforation of body panels caused by a manufacturing fault in materials or workmanship.

Toyota Eurocare

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years[§]. If you experience a problem with your vehicle, Toyota Eurocare offers several possibilities to keep you on the road.

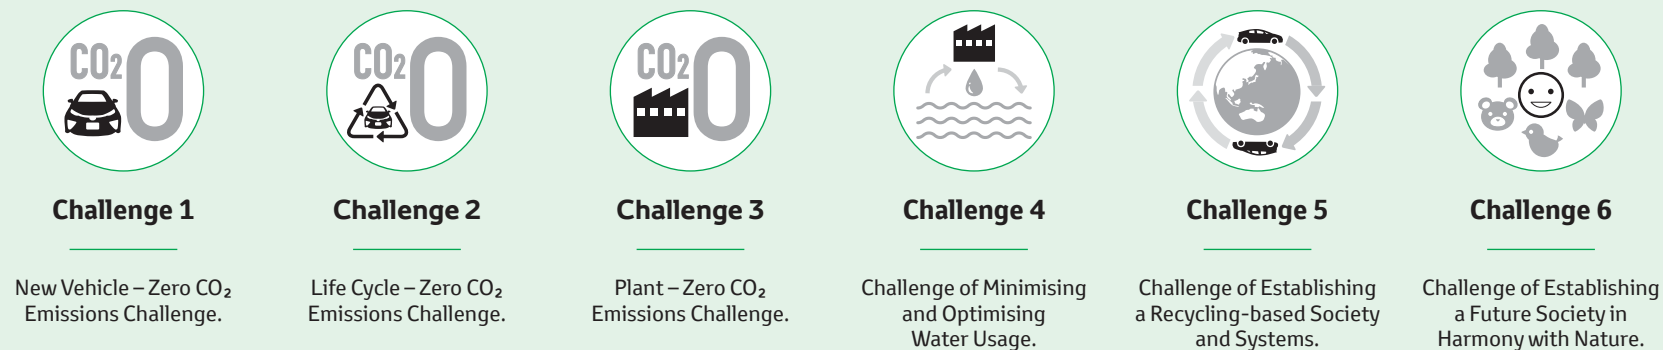

Added Security

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test. The alarm system and engine immobiliser are approved by all of Europe's major insurance companies.

Toyota Environmental Challenge 2050

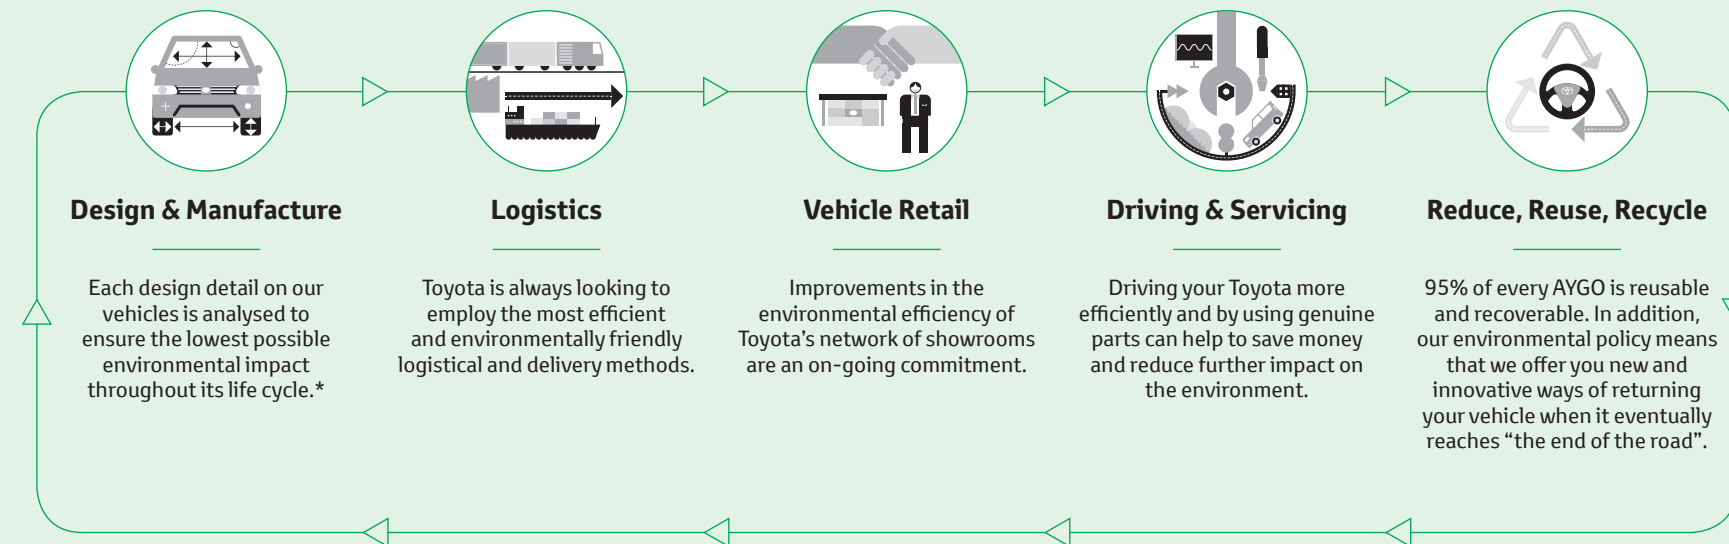

Toyota has set out 6 environmental challenges to be completed by 2050. The objective being to achieve sustainable development together with society.

For more information on Toyota's environmental activities please visit: www.toyota-europe.com/world-of-toyota or contact your local Toyota retailer.

Toyota's lifecycle approach to Environmental Issues

Toyota has been working on developing sustainable mobility for many years, driven by our vision of zero emissions and zero waste.

* The Life Cycle Assessment for the New AYGO (engine type 1KR-FE) compared to the previous model (engine type 1KR-FE), shows reduction in emissions of the following pollutants: 10% in CO₂ (Carbon Dioxide), 3% in NOX (Nitrogen Oxide), 2% in PM (Particulate Matter), 8% in NMHC (Non-Methane Hydrocarbons).

Toyota's LCA methodology, which is applied to our passenger vehicles was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

The Toyota AYGO is built to the highest quality standards at our plant in the Czech Republic.
